To Whom It May Concern:

This letter is in reference to the enclosed amendment to the Adam Smith for Congress Committee's First Quarter Report of 1998.

We have revisited our procedures for data entry and in the process found several mistakes in our report. Therefore, we are submitting this amendment to correct our errors. The specific errors which have been corrected are as follows:

- Four contributions which are unitemized have been added for a total of \$140.
- A \$100 contribution from Dale Carlisle was listed twice and has been removed.
- A \$5000 check from the Carpenters Political Action Committee was also reported twice and has been removed.
- A \$500 contribution from Stone and Webster PAC was entered into our database under the wrong date and therefore has been added to the amended report.
- One additional expense has been removed for \$17.31 to Old School Pizza.
- Our process for tracking interest was also incorrect. We were adding it to the contributions, this has been adjusted and is not solely reported on line 15 of page 2 of form 3.

Please note that the numbers which appear on our coverpages have changed as well. The Quarterly Report for April through June of 1998 reflects these numbers—not the numbers from our original report.

I thank you for the opportunity to correct these changes. I can assure you our procedures for data entry has been **entirely** overhauled in the last three months and we have made every effort to not let this happen again.

Thank you for your time.

Sincerely,

  
Heather Hayes  
Treasurer
